

## Our Past

### Where We Have Been

Harford Family House, Inc. was established in 1989 by the Harford County Episcopal Churches to meet the needs of families with children experiencing homelessness. HFH has grown to include unaccompanied young adults ages 18-24 and now provides 37 housing units from Emergency Shelter through affordable housing.

## Our Mission

### Our Reason for Being

Harford Family House, Inc. assists families with children, and unaccompanied young adults achieve independency through housing, support, and resources dedicated to improving the financial stability and mental wellbeing of its clients experiencing homelessness.

## Our Vision

### Where We Are Going

Harford Family House, Inc. is committed to building the start-to-finish solution to end homelessness for families with children and unaccompanied young adults in Harford County.

## Who We Serve

- Families with children under the age of 18 who are experiencing homelessness and in need of emergency housing
- Families with children under the age of 18 who are experiencing homelessness where one family member has a diagnosed disability
- Young adults ages 18 to 21 who have been a part of the foster care system
- Young adults ages 18 to 24 who are experiencing homelessness and are in need of emergency housing

## What We Do

- Quickly provide shelter to clients referred to Harford Family House by the Community Action Agency
- Build supportive, client-centered relationships with all residents in order to assess their needs and develop individualized action plans
- Provide individualized case management and program supports for each client from the time they enter the program until a minimum of 2 years after they move on to permanent housing
- Provide age appropriate program supports to include: after school activities, summer camp, wellness and mental health events and educational activities
- Provide transportation to help family members sustain employment and pursue car ownership opportunities
- Focus on the development of skills needed to create and support sustained independence, both through programs provided by Harford Family House and through referrals to partner agencies
